

OPABL NEWSLETTER

A big hello to everyone!

We hope you are all safe and well. Well done to all of the children who have completed their home learning – you are superstars! Thank you to all of the adults who have tweeted – it’s great to see what exciting things you have been doing. This newsletter aims to provide any updates, important links or information we think you may find useful while school is closed.

Home Learning Website

Please use the link: <https://phl.outwood.com> to access our home learning resources.

Google Classroom

This is where your child’s class teacher is setting work on a daily basis. Children will have tasks assigned to them. When they have completed the quizzes, remember to click on the ‘mark as done’ button so that it changes from ‘Assigned’ to ‘Handed in’. This will also be the main form of communication between your child and their teacher.

Accelerated Reader

Children can access the AR website to complete book quizzes through the home learning website by clicking on their year group and scrolling to the bottom of the page. They will need to click on the link for our school to log into their account. AR have also released a huge range of online books for children to read whilst schools are closed. Follow this link to see over 7000 books to choose from. <https://readon.myon.co.uk>

Mental Health and Well-being

Currently we are all being asked to stay inside our homes and only leave for essential journeys. It is more important than ever that we take care of ourselves mentally.

A range of different well-being activities created by Mr Rigby (our SEND Director) can be found on our Home Learning website.

Please also remember our green button is available on our website to offer external services or support.

Twitter

Our school twitter account will be updated regularly and teachers will update their class accounts where appropriate so please keep checking in and send us your updates.

Statutory Assessments

For those children in Y2 and Y6, the 2019/20 national curriculum assessments will not take place due to the coronavirus (COVID-19) pandemic.

Questions and Queries

The school office is closed for the time being. If you have any questions or queries, please contact school via the website:
